WEEKLY REPUBLICAN-1897.
DAILY PUBLIC LEDGER-1908.

MAYSVILLE, KY., TUESDAY, APRIL 21, 1908.

NIGHT RIDERS.

Oh, bad new name!
Bred by ignorance, born of hate;
Up from the halls of Hell you came
And stormed the portals of our fair State.

At midnight hour
You prowl and hark and scare the weak.
Your grand sire, Devil, gives you power;
He cares for his own and guides your work.

You tramp the road
Made sacred by Davis, Lincoln and Clay:
And "——"! You——!"
O, my Kentucky! My Kentucky! Where heroes
hore.
Will you, must you, shall you
Be disgraced alway?

Mrs. C. C. D.

WHY EDITORS GROW GRAY

While the World Laughs and Chuckles
With Jolly Merriment

Last Saturday's PUBLIC LEDGER contained an
alleged poem under the goat. The fourth line
of the third verse read as follows—

"All decked from foot to crown."

It should have been printed as follows—

"All decked in brown from foot to crown."

The entire office force from Editor to devil
pleaded not guilty to the charge of poetic as-
sault and the copy even was destroyed—prob-
ably the Goat ate it.

And the next day was Easter.

Bill Given a Hearing in the House
of Representatives

A hearing was given a day or so ago by the
House Library Committee at Washington on
the bill introduced by Mr. Madden of Illinois,
authorizing the expenditure of \$100,000 to-
ward the building on the farm in Larue county,
Ky., where Abraham Lincoln was born, of "A
National patriotic shrine, which shall consist of
a Memorial Hall costing not more than \$250,-
000, of which \$150,000 shall be supplied by the
Lincoln Farm Association of New York."

One hundred thousand dollars already has
been raised by the Association through popular
subscriptions, and by the terms of the bill the
remaining \$50,000 must be forthcoming within
the next twelve months in like manner.

Secretary J. D. Clark of the Fayette County
Society of Equity Saturday received checks
payable through the Clark County National
Bank of Winchester for \$18,000 to be paid to
members of the American Society of Equity of
Fayette, who have their tobacco in the pool.

Sunday's Cincinnati Enquirer says: "Friends
of Miss Florence Westfall of Park avenue,
Walnut Hills, and Warren T. Long, 318 Laurel
street, will be surprised to hear of their mar-
riage, which occurred at Maysville, Ky., on Oc-
tober 30th of last year. The wedding has been
kept a secret for some time, but the parents
of the young couple were told of it about three
weeks ago. Warren is in the employ of the
Dan Cohen Shoe Company. They are residing
at the home of the wife's parents on Park
avenue."

Large Crowds Attending Revival at

being heard in all parts of the house. She
believes in things as set forth in the Bible and
is orthodox in every particular. Go hear her,
you will be instructed, entertained and pleased.

SUIT FACTS.

Where a woman buys but one suit each season, using it for second best the next, she wants that suit to retain its shape until she is through wearing it.

This is one of the points wherein "WOOLTEX" excels. To the high quality of all materials used and the intelligent workmanship may be attributed the fact that a "WOOLTEX" coat holds its beautiful shape to the last, and that a "WOOLTEX" skirt hangs as gracefully at the end of its season of service as when new. This is because they are tailored to shape instead of being pressed into shape.

All "WOOLTEX" models, whatever the price, portray advance fashion ideas. Two full seasons of satisfactory wear is the guarantee that the "WOOLTEX" label carries with it and which we stand back of.

AT \$25

Our showing is exceptionally attractive, while at other prices, both above and below, you will find a liberal and select assortment.

You'll like the separate coats and skirts, too.

MARK TWAIN says the Lord knew His business when he made the Mississippi river. Did the Lord make Mark? And why?

SENATOR-ELECT BRADLEY knows he is misrepresenting conditions in Kentucky and other States when he declares that TAFT cannot carry his party's full strength with him in his race for the Presidency.

It is the same old dodge that never fools anyone except the densely ignorant. Mr. BRADLEY is merely a politician of the aggressive school and is never a constructive statesman, and, therefore, he is diametrically opposed to President ROOSEVELT's policies.

If there ever was any question upon which Republicans and Democrats meet on common ground it is in the work mapped out by THEODORE ROOSEVELT, because he advocates a square deal for every man and is working solely for the common good.

If you stand for ROOSEVELT you should stand for the nomination of Judge TAFT, who alone of all the candidates is indorsed by the President and is pledged to finish the great work of the man who does things—THEODORE ROOSEVELT.

Republicans of Kentucky, hold up to the light of comparison WILLIAM H. TAFT and WILLIAM O. BRADLEY. Don't permit the man who has not yet donned the Senatorial toga to mislead you with his political cant which has already disgusted his party.

Judge.
"Say, Ed., why don't ye advertise yer general store th' way them city storekeepers does?"

WOMAN'S POWER

The healthy woman, strong mentally and physically, whose ambition and magnetic influence urge men to deeds of grandeur and heroism; such women are all-powerful.

Weak, sick and ailing women have little ambition; their own troubles occupy all their thoughts. They dwell upon their pains, suffer from nervousness and headaches; often are extremely melancholy, and avoid society. For thirty years

LYDIA E. PINKHAM'S
VEGETABLE COMPOUND

has been saving women from this awful condition.

Mrs. Louise Jung, of 332 Chestnut St., Detroit, Mich., writes:

"I suffered from a very severe female weakness for a long time. Lydia E. Pinkham's Vegetable Compound, restored my health. I hope it will do other women as much good as it has me."

Mrs. Emma Wheaton, of Vienna, W. Va., writes to Mrs. Pinkham:

"I was a walking shadow. My husband insisted upon my writing to you and trying Lydia E. Pinkham's Vegetable Compound, which I did. It relieved all my pains and misery, and made of me a very different woman."

FACTS FOR SICK WOMEN.
For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with dyspepsis, inflammation, ulceration, irregularities, periodic pains, headache, that bearing-down feeling, dizziness, or nervous prostration. Why don't you try it?

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice.

J. M. Lloyd, farmer, Rural Free Delivery, No. 5, Maysville, Ky., says:

"I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it may be the means of benefiting other sufferers of kidney troubles. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant dull pains across my back and through the loins. When I stooped or lifted, sharp twinges shot through my body and caused me the most intense suffering. Learning of Doan's Kidney Pills, I purchased a box at J. J. Wood & Son's Drugstore and began using them. The contents of this box effected a complete cure and since then I have not had a touch of backache or any other trouble arising from inactive kidneys."

Time-Defying Paint

In Mastic Mixed Paints you get pure lead, zinc and oil ground to perfection with modern machinery. You get just what you ought to have—a paint that spreads best, covers most and lasts longest.

Many of the paints commonly supplied are fraud mixtures, containing whiting, benzine, soap and cotton seed oil. They look as good as any paint when put on, but the wood is exposed in a few months. Such paints would be an extravagance if you got them free—the labor costs more than paint. Let us supply Mastic Paints with our guarantee back of them. Everything else in paints.

WRECK ON L. and N.

Track Torn Up, But No One Killed or Injured

There was another freight wreck on the L. and N. yesterday afternoon at 1:45.

Northbound freight No. 96 in passing through the cut about a mile and a half South of the city, met with an accident in which three merchandise cars and two empties were wrecked.

The cause of the disaster is not known. The tender broke loose from the engine, left the track and turned over on its side, causing the rest of the cars to pile up in a promiscuous heap.

Had the mishap occurred either side of the cut the derailed cars would have rolled down a steep embankment, with great consequent damages. As it was, the loss consisted largely in the tearing up of the track for several hundred yards and the delay in traffic for about fifteen hours, and the discomfiture of passengers who had to be transferred to the city by vehicles.

The track was cleared by 6 o'clock this morning and trains running on regular time. While the damage was considerable, fortunately no one was hurt.

Mrs. James C. Carrick was operated on for appendicitis at the Good Samaritan Hospital, Lexington, Saturday afternoon. Late Saturday night she had revived from the shock and was resting fairly well. She was taken sick Friday and was removed to the Hospital Saturday. Her brother, Mr. E. E. Pearce, who is at Grand Canyon, Arizona, has been telegraphed to come. Mrs. Carrick was formerly Miss Anna Pearce and is well known in this city.

Mrs. Sallie K. Yancey of Lexington and Miss Sallie Ashbrook of Cynthiana have returned from Porto Rico, where, as representatives of the Kentucky C. W. B. M., they took part in the dedication of the First Christian Church on the island. Building of the church—a beautiful concrete structure—is the work of the C. W. B. M. Auxiliaries of Kentucky, which contribute \$7,500 for the purpose as a "centennial offering." The church is at Mayamón, a little city of 4,000 inhabitants, four miles interior from San Juan.

It is reported that about thirteen suits will be filed against the city of Carlisle on account of the damage caused by the heavy rains of the past year. Several houses were flooded and it is claimed by the owners that on account of the defects in the drainage system the water was caused to accumulate and cause the damage.

The act also provides that officials who fail to act when notified may be punished and that a witness cannot be exempt from testifying because his testimony may incriminate himself.

It is believed the enforcement of this act will solve the night rider troubles if they occur again in any part of the State.

ALL matter for publication must be handed in before 9 o'clock a. m.

STRINGENT LAW

Will Be Invoked By Governor to Punish Night Riders

Gov. Wilson has addressed a letter to Adj't Gen. Johnston calling attention to a law passed several years ago, under which the night riders may be apprehended and punished and property may be guarded against injury or destruction, the guards to be paid out of the county treasury.

The act also provides that officials who fail to act when notified may be punished and that a witness cannot be exempt from testifying because his testimony may incriminate himself.

It is believed the enforcement of this act will solve the night rider troubles if they occur again in any part of the State.

NIGHT RIDERS REQUEST COUNTY OFFICERS TO RESIGN

Two Robertson County Magistrates and the Road Supervisor Obey the Demands of the Band

CARLISLE, KY., April 20th.—Night riders waited upon Magistrates O. P. Overly and Reuben Dothan of Robertson county and requested them to resign at once, and they have done so.

These Magistrates had refused to vote for an appropriation for a new turnpike in the county.

Magistrate Bradley has signified his intention of resigning before being asked to.

The night riders also requested Road Supervisor Bruce Massey to resign his office, which he immediately did.

This will leave the county without any Magisterial government until others can be commissioned by the Governor.

MANY INFLUENTIAL PEOPLE ADOPT NEW THEORY

Statements from Followers of Cooper Obtained Recently in Various Cities.

A number of statements from prominent people located in various cities where the widespread discussion over L. T. Cooper's new theory regarding the human stomach has recently waged, give an idea of the intense interest the young man has aroused during the past year. The statements are as follows:

Mr. C. D. Mitchell, of 2412 Avenue C, Birmingham, Ala., has this to say with regard to his belief in Cooper's medicine: "I have been troubled with indigestion and stomach trouble for the past year. I had heartburn, bloating after eating, gas on stomach and bowels, palpitation of the heart, pain in the lower part of my back, and various other symptoms, and was a victim of much distress. I tried many remedies, but received little or no benefit from them. I was advised to try the Cooper preparations, and did so. In one week's time I was improved wonderfully—the first relief I had been able to obtain. Mr. Cooper's medicine does all he claims for it."

Mr. J. O. Spradling, of 705 South Tejon Street, Colorado Springs, Colo., says: "I was troubled with indigestion for two years. It caused me a great deal of suffering and misery. I did not dare to eat meat at all, and everything I did eat soured on my stomach. I tried various remedies, but found no relief. Three months ago I started

taking Cooper's New Discovery, and after using the contents of three bottles I was entirely cured. I can now eat and relish anything that my appetite craves. The New Discovery is truly a great stomach medicine."

Mr. Wm. Codier, of 408 Graves Street, Syracuse, N. Y., is very strong in his expression of belief in the new medicine, and has the following to say on the subject: "I have suffered from cataract of the nose and throat for four years. It must have been communicated to my stomach, for all this time my stomach has given me a great deal of trouble, and caused me much pain and suffering. My stomach was often sour, and my food did not digest. I was bothered by a continual desire to spit, and there was a constant dropping of mucus into the throat."

"The first relief I have been able to obtain is from Cooper's New Discovery, which I have been taking for about a week. My cataract condition has been greatly improved and my stomach is almost well. Mr. Cooper's medicine has benefited me more than anything I have ever used."

These statements are from reliable citizens in various communities who have tried these celebrated medicines. We sell them and will gladly explain their nature to any one interested.
